

LASER FRAMEWORK INTRODUCTION

L•A•S•E•R®

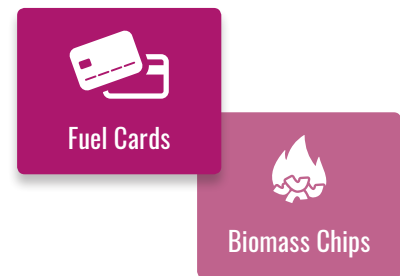

Energy prices are renowned for being volatile and unpredictable, so successfully managing this requires close monitoring of market prices and drivers. LASER's energy specialists have complete market and industry knowledge, allowing us to provide the right purchasing strategy for you.

We have established OJEU compliant frameworks to provide a structured approach to the energy market. All of our frameworks can be accessed by public organisations such as; Local Authorities, Emergency Services, Schools, Housing Trusts, NHS Trusts and Registered Charities.

Our frameworks include:

Additional frameworks accessed by LASER:

✓ Key benefits:

- All LASER frameworks are OJEU compliant in line with EU rules and regulations.
- With Kent County Council (KCC) as the Central Purchasing Body (CPB), other public sector bodies do not have to run separate tender processes to use the LASER frameworks.
- Mini-tenders can be drawn up to meet specific customer needs using LASER's simple but thorough tender process.
- Our established relationships with a selection of suppliers deliver an improved service and responsiveness.

How to access our frameworks... →

Current Frameworks:

Gas and Electricity Fixed Term Fixed Price (FTFP)

OJEU award notice: **2016/S 107-191314**

Gas Flexible Procurement

OJEU award notice: **2014/S 222-392187**

Electricity Flexible Procurement

LED Lighting Fixtures & Fittings

OJEU award notice: **2015/S 182-329699**

Water Procurement

OJEU award notice: **2017/S132-269790**

Meter Operations

OJEU award notice: **2014/S 050-084086**

Liquid Fuels

OJEU award notice: **2016/S 215-392236**

Fuel Cards

OJEU award notice: **2014/S 033-053698**

Biomass Chips

OJEU award notice: **2014/S 003 0012503**

LASER's comprehensive range of OJEU Frameworks are open to all Public Sector organisations, offering the choice, flexibility and compliance required when deciding on future contracting options. These Frameworks provide many benefits such as portfolio aggregation, lower cost to serve and efficiencies of scale. The performance of our flexible energy Frameworks in particular have delivered prices consistently below the market average over the last few years, giving outstanding value for our customers. ”

Bernard Gore

Senior Energy Procurement Manager, LASER Energy

About LASER

LASER is a leading energy procurement and energy management solutions provider for the public sector. We serve Councils, NHS Trusts and Universities as well as Schools and Blue Light services. LASER is wholly owned by Kent County Council and has unrivalled expertise and insight into public sector processes and requirements.
